About Family Nurturing Center

Family Nurturing Center is dedicated to ending the cycle of child abuse by promoting individual well-being and healthy family relationships. Since 1979, the non-profit social service agency has been a leader in providing quality, innovative and effective child abuse education, and prevention and treatment programs in the community. Through a range of services in our Kentucky and Cincinnati locations, Family Nurturing Center provides free services to more than 30,000 people each year.

Current programs include child abuse treatment services through individual, family and group counseling facilitated visitation, parent-child interaction therapy, Survivors of Abuse Recovery, and parent coaching services; family based parenting education and resources through the Nurturing Parenting Program, Nurturing Fathers, and Every Parents Library; and, education/prevention through Kids on the Block, Stewards of Children and community education and prevention.

Family Nurturing Center's Blue Ribbon Bash

In 1994, Family Nurturing Center created a signature event, the August Affair. Since then, this event has raised over \$1 million to end the cycle of child abuse. The event theme and format have changed over the years, and each year patrons, volunteers and sponsors sign up to support the cause. The **2018 Blue Ribbon Bash** will be held on **Friday, August 24th at the Cincinnati Airport Marriott**. It will mark 24 years of fun and unprecedented community support for the cause. Scrumptious food, drinks, dessert, music by Swampthang, a silent auction and dancing are all part of the evening's festivities.

The annual event has consistently attracted 350-400 people each year.

Through earned media, direct and electronic mail, literally tens of thousands of area residents will have the opportunity to see your company's support of our community vision of safe children, thriving families and nurturing communities.
