

Family Nurturing Center

Blue Sunday
April 25, 2021

People of all faiths will join together in a day of prayer to demonstrate their support for children and families who have been touched by abuse, and appreciation to those who help abused or neglected children.

*Lord, thank you for our children
For them we kneel and pray.
Help us teach them of your kindness
Of your mercy and your way.
Help us show them of your love
Your strength and safety, too.
Help us show them who you are
Help us treat them like you do.
Let us pray, educate ourselves and volunteer
For the children of our nation
Until black and blue are just colors
In their crayon box.*

They are precious in His sight.

Amen

The Story Behind the Blue Ribbon

In 1989, a Virginia grandmother, Bonnie Finney lost her grandson to child abuse. After his death, she tied a blue ribbon to the antenna of her van as a symbol to alert her community to the ultimate tragedy of child abuse. The color blue represents the bruised and battered body of her grandchild. Therefore it served as a constant reminder to fight for our children. She explained, "My grandchildren had suffered and battled so much throughout their young lives that it sickened me." This grandmother's simple idea to wear a blue ribbon caught on and spread to organizations across the country.

April is recognized nationwide as Child Abuse Prevention Month. The Blue Ribbon Campaign is a comprehensive community wide effort to promote child abuse

awareness in our region led by Family Nurturing Center and supported by a range of individuals and community partners.
